

Top 10 Bible Prophecy-Related Events of 2018

Almost one-third of the Bible relates to eschatology or Bible prophecy. I think we can conclude that a lot of what is happening today foreshadows “things to come.”

Here are my observations on activities that relate to Bible prophecy in 2018. I am just discerning the times, not engaging in newspaper exegesis. I encourage everyone to be like the sons of Issachar in I Chronicles 12, who understood the times.

Some of the predicted signs will manifest in the church age. Most are Tribulation events that are casting a giant shadow today.
