Amanda Grace Reveals the Mysteries of the DNC

In a new livestream, Amanda Grace revealed some of the prophetic implications surrounding the DNC after she had a very vivid dream earlier this month and a word from 2023 that came to pass.

On Aug. 9, Grace had a dream which she believes represented the location of the DNC and the lawlessness and rebellion taking place there.

"What I saw was this long, rectangular looking building," Grace says. "On one side there was a body of water and nearby there looked to be greenery or a small park."

The Supernatural Love Story of Joni Lamb and Doug Weiss

When Doug and I began telling people about our relationship, the vast majority said, "We've been praying for you. We're so happy." But the other voices definitely left an impression.

From a relationship standpoint I knew I was free, biblically and emotionally, to move forward, but I wasn't looking.

There was no real desire in me for a relationship. I want to make that crystal clear. I wasn't looking and had no need to

do so. So many people have judged my timeline from Marcus' death to my marriage to Doug. They question how I could have grieved enough in seven months to even think about talking to someone else. They think that's not enough time.

All I can say is that each person processes grief differently. For me, this was the timeline I was on. For someone else, it could be very different. Each of us is uniquely created to fulfill the purpose God made us for. We are "fearfully and wonderfully made," as the psalmist wrote (Ps. 139:14). In addition, He has qualified each one of us, meaning He has made us able or authorized us for the task He has put before us.

Gateway Conference Canceled Amid Robert Morris Scandal

The annual conference put on by Gateway Church, Gateway Conference has officially been canceled.

As the fallout from the shocking revelation of former lead pastor and founder Robert Morris' sexual abuse of Cindy Clemishire, who was 12 years old at the start of the abuse, the Conference leadership explained in a public statement why they felt it was in the best interest of everyone to cancel.

"We want to let you know that after much prayer and consideration, we have decided not to hold Gateway Conference in 2024. Our congregation and staff are in the midst of navigating Robert Morris' resignation and the emotions surrounding it. We are deeply sorry for the pain this situation caused the survivor, other survivors of abuse, and the Church at large."
