How Perry Stone's Prophetic Word for 2025 Is Unfolding Before Our Eyes

As we step into 2025, Perry Stone's prophetic insight offers a timely word for navigating what lies ahead. His message for Joseph Z's New Years Eve prophetic broadcast challenges believers to refocus on spiritual priorities while preparing for the unexpected—a reminder that already feels strikingly relevant.

Stone points out a pattern he's observed year after year: "It's not the things we expect to happen that often occur; it's the things that we did not see coming." This insight became startlingly true almost immediately, as wildfires erupted on the outskirts of Los Angeles within days of his broadcast, bringing devastation to coastal areas, just as he had warned.

Stone specifically states, "There are going to be different natural disasters to strike the world again in 2025, including some that will take place on the coastal areas perhaps and also within the United States itself as happens every year." His words ring with urgency as these events unfold.

Chuck Pierce Unveils His Word for 2025

Renowned prophet Chuck Pierce shared powerful insights for 2025, emphasizing that it will be a year marked by both grace and conflict. During a livestream with Christian International's Jane Hamon, Pierce described how God's timing and positioning will be essential for believers to navigate the challenges ahead and fulfill their divine purposes.

"I think this year more than ever it is important that we understand times and know what we are to do," says Pierce.

Pierce says the night before the election, the Lord woke him up at 3:00 a.m. Prior to going to sleep, Pierce asked the Lord if He could show him anything beyond the year 2026 since God had previously given him insight into the years leading up to 2026.

Perry Stone Unveils: Shocking New Mystery Behind JFK Murder

The assassination of President Kennedy may have more spiritual significance than anyone first thought.

In a recent video, Perry Stone unlocked a spiritual mystery revolving around JFK's death.

Recounting details from Pastor Davis, a former missionary in Haiti during Kennedy's presidency, Stone says it's quite possible that an occult leader from Haiti placed a curse over Kennedy, leading to his death. Stone says this would have followed when Kennedy put a blockade on Haiti. The Haitian leader, Francois Duvalier, also known as "Poppa Doc," was largely into witchcraft and voodoo at the time of Kennedy's presidency.
