Prophetic Word 2025: Rick Renner's Call to Prepare for a Storm

As we step into 2025, Rick Renner of Renner Ministries delivers a prophetic word brimming with both challenge and hope. He speaks to the body of Christ with clarity, urging us to brace for a season of intense warfare but also to rise in faith, equipped with God's promises.

Renner begins with a reminder of the apostle Paul's instruction to Timothy in 1 Timothy 1:18: "Remember the prophecies which went before on thee, that thou by them mightest wage a good warfare." He emphasizes that prophetic words are tools for spiritual battle, declaring, "God has given you everything you need to walk in victory in 2025."

Tongue of Angels: Unveiling the Mystery of Heavenly Communication

In a recent teaching, evangelist Perry Stone delved into a fascinating topic in the Bible—the "tongue of angels" mentioned in 1 Corinthians 13:1.

"Though I speak with the tongues of men and of angels and have not love, I am a sounding brass or a tinkling cymbal," Stone

quotes, pointing to the apostle Paul's declaration. According to Stone, this verse opens a line of discussion not only on the necessity of love but also on the spiritual dimensions of language.

3 Blood Moons to Appear Soon—Here's When the First One Arrives

Some remarkable celestial signs will be on display in the coming months that may hold prophetic significance for our world. This series of four heavenly phenomena includes two lunar events over the next 14 months that appear to represent a possible message about Israel.

It all kicks off with a total lunar eclipse known as a "blood moon" that will appear over the U.S. Mar. 14, 2025. This particular one will fall directly on the Jewish holiday of Purim. That's when the Jewish people celebrate the biblical account of Esther when they were delivered from annihilation at the hands of an enemy named Haman in the Persian empire, which is modern-day Iran.

And that's not the end. There will actually be two more blood moons, with one coming this fall before Rosh Hashanah, and then the third one also falling directly on Purim Mar. 3, 2026.

Beloved Christian Radio Station Faces Sudden Shutdown—Here's What Happened

Contemporary Christian radio station "The Fish," 104.7, is set to go off the air in February. The Atlanta station is shutting down after being sold to the Educational Media Foundation, which owns K-LOVE and Air1.

The station's current owners, Salem Media Group, said the agreement with EMF is part of a larger set of transactions to "strengthen its balance sheet and repay nearly \$160 million in long-term debt," WSB-TV reported.

Radio station hosts Kevin Avery and Taylor Scott released a joint statement on the matter.

Jonathan Cahn: 2025 and the Prophetic Lightning Strike

What kind of prophetic warning was God giving us through the New Year's Eve lightning strikes?

In a new prophetic message, Jonathan Cahn unpacked what he believes the Lord was saying through the New Year's Eve lightning strikes on major U.S. buildings in New York and Washington D.C.

Cahn first points out that it was the Washington Monument, the Capitol, the Empire State building and the One World Trade Center that were all hit with the lightning. The odds of lightning hitting all of these buildings on the same day, right before the start of the new year is not likely at all. It is quite plausible that this event was indeed a message, a warning from the Lord.
