Drag Queen ‘Flamy Grant’ and Derek Webb Attend Dove Awards; Greg Locke Responds

Progressive drag queen singer with the stage name “Flamy

Grant” and songwriter Derek Webb made an appearance at the Gospel Music Association Dove Awards, contemporary Christian music’s most important award show of the year.

“Despite having won a few over the past 20+ years, tonight will be my first ever trip to the dove awards,” Webb wrote on X. “In the company of some very good friends (@FlamyGrant and @gracebaldridge, among others). I hardly ever dress up, but this feels like a very special occasion.”

John Ramirez Exposes the Dangers of Halloween, Trunk or Treat

In one of his latest videos, evangelist John Ramirez is exposing the dangers of allowing Halloween celebrations to creep into the church, especially in the form of trunk or treat.

“Shame on these pastors that believe they can celebrate something without no consequences,” Ramirez says.

Ramirez points out that there is no such thing as a “safe place” for kids to celebrate Halloween because there is never a time to even remotely entertain the idea of dealing with the satanic realms. He says even the very candy that is consumed on Halloween has been prayed over by those ranking in the satanic realms.

The Appalling Silence of the Black Church During Israel’s Time of War

“We will have to repent in this generation not merely for the hateful words and actions of the bad people, but for the appalling silence of the good people.” –Dr. Martin Luther King

Jr.

Israel is at war, and the Black church finds itself silent again. Why?

Over 1,400 innocent Israelis have been murdered. Women, children and the elderly have been violently taken hostage. Israeli babies have been beheaded and burned, all at the hands of Hamas, a terrorist organization.

If any organization or group of people should be decrying the atrocities of these brutal killings from Hamas, it should be the Black church. If any organization or group of people should be standing with unwavering support for Israel during these difficult days, it should be the Black church. We are compelled to do so.
