

Unbelievable! Satanists Want to do WHAT in Kansas?

What the Satanic church wants to do in Kansas is almost too dark to even believe.

According to , the state of Kansas is in uproar at the moment because of the upcoming “Black Mass” that the Satanic Grotto plans to hold on Mar. 28, at the Kansas state Capitol.

The event description reads, “Join us at the Topeka Capitol building in Kansas as we dedicate the grounds and our legislature to the glory of Satan.”

What a terrifying thought.

It goes on to say, “We will be performing rites to the Black Mass and indulging in sacrilegious blasphemy. God will fall and Kansas will be embraced by the black flame of Lucifer.”

This statement is beyond concerning. What kind of sacrilegious acts? Why would a group of people want to see God fall and Satan take over their state?

Democratic Governor Laura Kelly responded to the planned event, expressing concern, but allowing the event to continue outside of the Capitol.

I have been informed about concerns regarding an event at the Statehouse on Mar. 28, and I share those concerns. There are more constructive ways to protest and express disagreements

without insulting or denigrating sacred religious symbols.

However, as governor, I also have a duty to protect protesters' constitutional rights to freedom of speech and expression, regardless of how offensive or distasteful I might find the content to be.

As the Topeka Capital-Journal noted, the Satanic Grotto group, instead of being grateful that their event will be allowed to carry on, believe that their rights have been trampled upon by the governor's orders to move the obscene event outside.

"The Grotto board of leadership has come to a decision. We will perform our ritual inside the Capitol inside our legally permanent space, regardless of Governor Kelly's orders," Grotto president Mike Stewart said.

He concluded that the group would be willing to be arrested if they were moved outside.

This is the moment for Christians to pray against this utter and complete monstrosity of an event. The enemy is no longer hiding, but is showing his face in plain sight. Pray for the state of Kansas, that the Lordship of Christ may be made evident here far above the agendas of darkness.
