

Urgent: This Purim Brings a MAJOR Shift in Spiritual Warfare

As we enter a critical window leading up to Purim, prophetic voice Amanda Grace is sounding the alarm about the heightened spiritual warfare and divine shifts taking place. This period is not just a time of biblical remembrance but a moment in which unseen battles are being waged over nations, leaders and the destiny of God's people.

Grace has spent time discerning a significant convergence of events—President Trump's upcoming address, Mardi Gras celebrations with their ties to demonic activity and global unrest. The enemy is at work, but so is God. She calls for the body of Christ to engage in fervent prayer and intercession, recognizing that what happens in the spirit will shape the natural realm in the days to come.

"The government and the church are running in tandem right now," Grace says. "It [Mardi Gras] is coinciding within the two week window to Purim with Donald Trump's address to a joint session of Congress. Why is that important? Because there is a lot of demonic activity that happens on the night of Mardi Gras."

One of the most pressing warnings Grace also gave concerned England. She released a prophecy regarding 10 clergymen being charged with serious offenses, drawing a parallel to the 10 sons of Haman from the book of Esther. The message is clear:

England must turn from the rising tide of antisemitism or face divine judgment. This aligns with a broader shaking—government corruption and church scandals are being exposed simultaneously, seen in the release of both Epstein files and clergy abuse reports. The Lord is bringing hidden things into the light.

On top of this, Grace also provided a warning regarding Ukraine's president, who was likened to King Saul, who failed to destroy the Amalekites. If repentance does not come, a fall is imminent.

As we reach closer to Purim when the Jews celebrated their deliverance from genocide by Haman, we are to also be vigilant about what kinds of Haman-like forces are lurking around that is seeking to keep us from true freedom and deliverance so that we can walk in a season of divine turnaround. Those who stand in righteousness must press into prayer, knowing that victory belong to the Lord.
