

Was The Second Trump Assassination Attempt Prophesied?

After the second assassination attempt on President Trump just occurred, here's the things you need to know about the incident and the prophecies which may have acted as a forewarning of what was to come.

- The alleged gunman is 58-year-old Ryan Wesley Routh.

According to Fox News, Routh is listed as living in Hawaii, and is originally from North Carolina. Since the 1990s, Routh has faced multiple run-ins with the police, including for drug possession. Back in 2002, Routh went on a three-hour stand-off with the police after a traffic stop where he placed his hand on his gun before taking off and barricading himself in the office at his roofing company. Routh had an AK-47, two backpacks and a go-pro camera with him as Trump was playing on the fifth hole of the course at Trump International Golf Club.

- Trump updated America on his safety.

Trump made sure to update Americans of his safety following the events on Sunday.

"I AM SAFE AND WELL," he said. "Nothing will slow me down. I will NEVER SURRENDER! I will always love you for supporting me. Unity. Peace. Make America Great Again."

He also posted a thanks on Truth Social to all those who

helped keep him safe.

"I would like to thank everyone for your concern and well wishes – It was certainly an interesting day! Most importantly, I want to thank the U.S. Secret Service, Sheriff Ric Bradshaw and his Office of brave and dedicated Patriots, and, all of Law Enforcement, for the incredible job done today at Trump International in keeping me, as the 45th President of the United States, and the Republican Nominee in the upcoming Presidential Election, SAFE. THE JOB DONE WAS ABSOLUTELY OUTSTANDING. I AM VERY PROUD TO BE AN AMERICAN!"

- It's possible that Kim Clement prophesied about the second attempt on Trump's life nearly two decades ago.

In an April 2, 2005 prophecy, Clement prophesied: "And some would say, what about the gatekeeper of this Nation? What about him? He prays and took the mantle of Ronald Reagan so that this Nation may experience great revival. Great breakthrough, great, great, great, great breakthrough. But truly there shall be one that shall attempt to lead three others to his side to kill and to take out. But am I with you tonight where My warriors will stop an assassination because your prayers will make the difference."

On June 2 of 2012, Clement also saw a spirit of death coming upon the land that he prayed to push back its darkness. He fought against the death spirit by prophetically singing about life.

"The Lord showed me the death, the unnecessary deaths, the premature deaths and why these are happening. He wants to put

a stop to it," Clement prophesied. "Today we make declaration against the force of hell, death..."

- Prophetic voice Troy Black also heard about more coming darkness for the former president.

In a recent livestream, Black shared how he heard over month ago that someone would try to harm the former president.

"I saw a vision of Trump's ear," Black said, "Obviously representing a Trump assassination. Then I heard, 'It will happen once more. It's going to happen again. This time it will be closer than the first. And then I shared in the video an impression I got that it wasn't going to necessarily be like the bullets were closer, but rather it was going to mean closer not in a nearness to death way, but rather in a different way. And now what I believe that God was saying was, 'it's closer to home.' Because what do we see? It was near the property line of the Trump International Golf Course."

- Prayer continues to be critical during this election season.

After two assassination attempts in two months, it's clear that there is a spiritual battle coming against President Trump. Continue to pray for him, for his family, and for all of our leaders. Pray for God's protection and covering to be upon His people and our nation during this critical time. We know that our battle is not against flesh and blood, but against powers and principalities. Pray for the safety of our

nation and for God's Holy Spirit to bring revival to America.
