

WATCH: American Jewish Leader Urges Mass Aliyah to Israel

I think it is safe to say that when large numbers of American Jews, particularly non-orthodox, secular Jews, make *Aliyah* (move to Israel), the end is near. For most American Jews the idea of living in Israel is laughable. But what this one leader in the video below rightly identifies is that Israel is becoming the only safe haven for the Jewish people.

Indeed our father Theodore Herzl became a Zionist *only* when he saw unbridled anti-Semitism against a French officer who was banished to Devil's Island. Herzl concluded 40 years before the Holocaust that the only safe place for the Jewish people would be our own country.

Jeremiah spoke of two ways the Jewish people would come home.

"But now I will send for many fishermen," declares the Lord, "and they will catch them. After that I will send for many hunters, and they will hunt them down on every mountain and hill and from the crevices of the rocks."

Fisherman are those like Herzl and this women in the video below, pleading with Jews to come home to Israel. Fisherman pull. However, if that doesn't work the hunter's, the anti-Semites, will drive the Jewish people back to Israel. As horrible as radical Islam is, God will use it to bring the Jewish people home.

The promise clear and is coming to pass before our eyes.

"Do not fear, for I am with you; I will bring your descendants from the east, and gather you from the west; I will say to the north, "Give them up," and to the south, "Do not keep them back. Bring My sons from afar, and My daughters from the ends

of the earth" (Isaiah 43:5-6, MEV).

"I will gather the remnant of My flock out of all countries wherever I have driven them and bring them again to their folds, and they shall be fruitful and increase. I will also set up shepherds over them who will feed them; and they will fear no more, nor be dismayed, nor will they be missing, says the Lord. The days are coming, says the Lord, that I will raise up for David a righteous Branch, and he shall reign as king and deal wisely, and shall execute justice and righteousness in the earth. In his days Judah will be saved, and Israel will dwell safely. And this is the name by which he will be called: The Lord Our Righteousness" (Jer. 23:3-6, MEV).{eoa}
