

WATCH: Cindy Jacobs Responds to Rick Joyner's ISIS Warning

Many of you have seen the prophetic word circulated by Rick Joyner. It was undoubtedly a sobering and urgent word, and many people have asked Cindy Jacobs, founder of Generals International, for her thoughts and response.

When such a message is delivered, it can be easy to allow spirits of fear and heaviness to grip us, but that is not the purpose in God's heart when He communicates these things to His people. Jacobs' response offers additional insight and guidance on how we should respond to the word of the Lord.
