

WATCH: Earthquakes Rocking Nations: Signs of the End of the Age?

Earthquakes weave in and out of end-times prophecy.

Look to Isaiah, Joel, even Jesus Himself to see how the earth will strike back as the return of the Lord approaches.

With waves of quakes hitting Asia, killing thousands in their wake, many are wondering if these are the signs foretold in the Bible, but are just as many ignoring them?

“People are so strange in church because you don’t want to hear the revelation,” Jim Bakker says. “But I want to hear what Jesus had to say.”

Watch the video and sound off if these earthquakes are a sign.
