In a clip for the show *Mary Mary* on WEtv, gospel singer Tina's Campbell's husband reveals just how volatile the two are.

Teddy takes the cover off his convertible to reveal a car riddled with bullet holes.

"It was my car and she thought I could have been riding around town with another woman in my car, which wasn't the case," Teddy says of the shoot up. "My wife, in her pain, she wanted to hurt."
