

WATCH: Megachurch Pastor Creflo Dollar Says There Is No Such Thing as the Prosperity Gospel

“It’s the gospel of grace,” says Pastor Creflo Dollar, who recently came under fire for asking congregation members to fund the purchase of a \$65 million jet.

He canceled the campaign, and his spokesperson said there will not be another campaign for a jet.

Now, the host of *Your World with Creflo* is speaking out on the “prosperity gospel,” that is the belief that if you sow into a Christian ministry, God will grant you more back, increasing your wealth.

He says his money is not his own, but belongs to the Lord.

Watch the video and sound off on his thoughts.
