

WATCH: Pastor, Wife Lose Newborn, 2-Year-Old in Gut-Wrenching Car Crash

To lose one child is heart-breaking, but to lose two is pure anguish.

That's exactly what Gentry and Hadley Eddings are experiencing right now. The young family was traveling in a caravan when the car with a pregnant Hadley and the couple's 2-year-old was struck by another vehicle.

The 2-year-old died in the crash, but Hadley had an emergency C-section, delivering her baby about a month early.

Sadly, the newborn died just two days after the crash.

Watch the video to see more of their story.

Please lift the Eddings family up in prayer.
