

WATCH: Paula White Says Billy Graham Prophesied Over Donald Trump

Paula White defended Republican front-runner Donald Trump's faith at a recent rally in central Florida.

The megachurch pastor told attendees at a rally that Trump truly is a man of God, detailing how his faith influences how he treats people and his ministry donations.

She says she wanted to honor him, so for his 60th birthday, she sought out a gift like no other: a signed Bible by Billy Graham.

"For his 60th birthday, Billy Graham wrote a prophetic word and a letter for Mr. Trump," White says.
