

WATCH: Prophetic Voice Tells All About Church's Demonic Manifestation

What do you do when an entire congregation manifests demons?

In a reaction video, Kap Chatfield shared the powerful story of how an entire church—including the pastor—all manifested demons at the same time.

The video, which centered on Tomi Arayomi's account of being a guest speaker at church, came with some very specific directions from the Holy Spirit. When Arayomi arrived, the Lord told him not to lay hands on anyone there.

"He started to see everybody begin to manifest demons," Chatfield says.

Arayomi recounts in the video how he and his assistant went to London and were praying for four hours, since the Lord asked him to bind every demonic spirit that he would encounter at the meeting of this church.

"So, I started binding as I was getting words of knowledge about them," Arayomi says. "And my assistant was playing the guitar, and I said, 'I heard the Lord say when you enter that meeting, don't lay hands on anybody.'"

Arayomi says that right before he was about to go up to speak during the meeting, a woman during the worship starting making hissing sounds and movements like a snake and began to point at him.

"She says, 'I see blood all over you. Blood and death,'" Arayomi recounts.

Arayomi says that the pastors invited him to go and command the demons out of the woman, but he did not go as he was being obedient not to lay hands on anyone. While the pastors attempted to pray deliverance over the woman, the demons were not fleeing out of her. Then, Arayomi heard specific instructions from the Holy Spirit on what to do next.

"I just heard the Lord say, 'Now command the demons you bound to go into the pit.' I said, 'every spirit, unclean spirit, hear my voice and come out in the name of Jesus and go into the pit,'" says Arayomi.

What happened next was shocking.

"The whole church, including those pastors, start manifesting," Arayomi says.

One of the key things about this experience that Chatfield points out is that Arayomi first sought the Lord, listening for the voice of the Holy Spirit in how he should conduct himself and walk in obedience.

"What I see in the Bible is that God wants us to walk in the ability to hear His voice," says Chatfield.

"It looked like a massacre of just mass deliverance," says Arayomi. "Pastors, worship leaders, 's like He just went right through building, cleaned the whole house."

The Lord had promised Arayomi that He would do the work, and that's exactly what happened. His testimony is a reminder that we are to remain obedient to the Lord, and when He tells us either to do or not do something, we should follow suit with it. He has never left us, nor forsaken us, and He will never lead us astray or fail us.
