

WATCH: The Greatest Earthquake Event the World Has Ever Seen Is Coming

Apparently Nepal was a warm-up for horrific national disasters set to break world records.

But is a meteor responsible? Are these the signs Christians have longed for for millennia?

“When I started reading this prophecy initially, I thought, ‘No, this is just way over the top. This has to be just wacko prophecy,’” says author John Shorey. “ ... I started investigating this prophecy.”

Watch the video to see what he discovered.
