

'Waterproof Bible' Tops Recommended Military Resource List

Bardin & Marsee Publishing's *NIV* (New International Version) *Waterproof Bible New Testament with Psalms and Proverbs* has topped the list of the Top 25 Recommended Resources published by Military Ministry, a division of Campus Crusade for Christ International.

Soldiers and chaplains have used the *Waterproof Bible* since 2006. "Thank you for producing such a Bible that I'm sure will withstand the harsh Afghanistan climate," an Army chaplain wrote to Bardin & Marsee before deploying earlier this year. A soldier said the *Waterproof Bible* "helps me redeem those little fragments of time throughout the day by reading God's Word."

Bardin & Marsee also recently partnered with the Norwegian Bible Society to produce a military chaplain's waterproof devotional titled *På Patrulje Soldatens Andaktsbok* and with Bible Society New Zealand to publish a custom *NLT* (New Living Translation) *New Testament with Psalms and Proverbs* for the New Zealand Defence Force.

Based in Birmingham, Ala., and started in 2005, Bardin & Marsee Publishing offers the *Waterproof Bible* in nine languages and five English translations—*NIV*, *NLT*, English Standard Version, New King James Version and King James Version.
