

What the New Jubilee Will Bring God's Church

"You shall count seven sabbath weeks of years, seven times seven years, and the time of the seven sabbaths of years shall be to you forty-nine years. Then you shall sound the horn blasts on the tenth day of the seventh month. On the Day of Atonement you shall make the sound of the horn throughout all your land. You shall consecrate the fiftieth year, and proclaim liberty throughout all the land to all the inhabitants. It shall be a Jubilee to you, and each of you shall return to his possession, and every person shall return to his family. That fiftieth year will be a Jubilee for you. You shall neither sow nor reap that which grows by itself, nor gather the grapes of your unpruned vines. For it is the Jubilee. It shall be holy to you. You shall eat the produce of the field" (Lev. 25:8-12, MEV).

Recently I was having one of my usual prayer talks with my dear friend and co-worker, Rabbi Robert Wolff of Majestic Glory Ministries, and we were discussing the exact dates of the Jubilee year. Initially, we disagreed on when this period was because Bob was focused on the amazing occurrences that had taken place during this period in other Jubilees. However, as we reviewed it, we both soon recognized that these happenings actually took place at the beginning of the next Jubilee period and not in the Jubilee year itself.

On October 2, as we light the Rosh Hashanah candles, this Jubilee year will come to an end and we will commence the next official Jubilee period (50 years). What will it bring and what is anticipated during this most crucial time on the Earth?

However, before I address this, let me draw your attention to those occurrences that Bob raised in our discussion that

actually took place at the beginning of other Jubilee periods.

On December 11, 1917, General Edmund Allenby of the British forces, a believing Christian, dismounted his horse, and humbly walked through the Jaffa Gate to commemorate the taking back of Jerusalem from Islam. In 1920, the League of Nations declared the area as a homeland for the Jewish people.

In 1967, exactly 50 years later, at the beginning of the next Jubilee period, Israel took back control of the city of Jerusalem from Jordan. As I often write, when God does something sovereign with His land, there is a reaction in the Spirit. And it was during this same time period that all of a sudden, some 10,000-15,000 Hippy Jews get saved out of the Jesus movement, which marked the beginning and re-emergence of God's first-born children and the re-birthing of the remnant of Israel. Wow! So, having seen from past Jubilee periods that significant shifts take place during these times, what can we now expect from the next Jubilee?

The 4th Wave and the Coming Jubilee

James Goll and Cindy Jacobs, among others, have prophesied recently concerning the coming of the 4th wave, and that it is now upon us. This is a reformation of the church to realign the body of Messiah/Christ, to properly prepare us for God's final plans upon the Earth before the Lord's return. It is spiritual renewal in the strongest sense of the word; it has washing and cleansing in its wings that will cause His church to rise as a great light in the Earth. It will re-establish the authority of God through His body that will enable us to overcome and defeat the strongholds and principalities that are aligned against us in accordance with God's will.

At the heart of the reformation is the reconnection in the Spirit in the One New Man between Jew and Gentile. This is

aligned to its apostolic 5-fold governmental authority that was established through Israel's apostles and prophets, with Yeshua/Jesus Himself as the cornerstone of the church (Eph. 2:20). From this core and its restoration, comes the final outpouring of His Spirit upon the Earth.

For what does Scripture tell us here that Israel's spiritual restoration will bring, but resurrection power. Life from the dead! This power of God, which comes from the Father's heart to unite and restore His family, will flow through a renewed and empowered body to effect and change the world for the kingdom of God and bring the last great harvest of souls. The Israel piece and its 5-fold mantle is the final part of the church's restoration. It is the power equation that ignites the rest, that as the wires are reconnected, the fires will be loosed!

The outflow of the 4th wave is the ability to impact what is now being called the seven cultural mountains:

- Religion
- Government
- Education
- Business
- Family
- Media
- Arts & Entertainment

In preparation for this change over the past 15-20 years, God has been raising up new leadership in the church and Messianic bodies that is focused on the 5-fold governmental giftings, so that we may be prepared for what is coming. I don't have space in this article to list them, but most reading are aware of whom I am writing.

These leaders, both men and women alike, are first free from within, cleansed, washed, prepared and are carrying new mantles of God's authority in each of their ministries. Plus,

His blessings are clearly upon them. These ministries are paving the way for the rest of His church to reform and it is going to be glorious. So what can we expect?

In fact, I'm so excited about this, that we have dedicated our Rosh Hashanah service this year at Messiah's House in Greenwich, Connecticut, and teamed up with the 10-Day Prayer Movement in Connecticut to declare and proclaim the New Jubilee period. Come and join us! For those of you out of town, we will post the video of this meeting on our reconnecting website. Click *listen now*!

Grant Berry is a Jewish believer in Yeshua/Jesus and author of *The New Covenant Prophecy* and *The Ezekiel Generation*. He founded *Reconnecting Ministries* with the specific focus to help the church reconnect spiritually to Israel and considers it vital to the kingdom of G-d in the last days. His message focuses on the unity, love and healing that the Father wants to bring between Jew and Gentile yet clearly points out the differences and misunderstandings between the two groups. Now is the time to look more carefully into this mystery to make way for healing and reconnection in the Spirit. For more information, please visit .
