

You Can Now Tour Israel With Joel Osteen and Joseph Prince

Faith-and-family television leader Trinity Broadcasting Network is gearing up for an inspirational tour of Israel and the Holy Land, March 4-13, 2018. Led by TBN's own Matt and Laurie Crouch, the TBN Hope and Grace Israel Tour 2018 will feature the dynamic teaching and ministry of popular pastors Joel and Victoria Osteen and Joseph Prince, and include 10 days of life-changing stops at the many places where Jesus walked and the early church flourished.

"Over the past nearly 45 years, TBN has hosted scores of memorable Holy Land tours and introduced thousands of our friends to the unforgettable land of the Bible," said TBN President Matt Crouch. "We believe the Hope and Grace Israel Tour will be truly life-changing as we experience all the best of the land of Israel and worship the Lord together on this truly sacred ground."

Participants in TBN's Hope and Grace Israel Tour 2018 will personally experience many of the biblical sites and locales where Jesus lived, walked and ministered, including Bethlehem, Nazareth, Capernaum, Old Jerusalem, the Mount of Olives, the Sea of Galilee, the Jordan River, the Upper Room, Gethsemane, Calvary and the empty tomb. Along the way, they'll take part in some very special worship services in Jerusalem, at the Sea of Galilee and in Caesarea with pastors and Bible teachers Joel and Victoria Osteen and Joseph Prince.

"If you've never had the privilege of visiting the Holy Land, or if you'd love to go again, this is your time," said Matt Crouch. "The memorable sites, the fellowship, the impact as you experience this land so blessed by God will stay with you for a lifetime."

Mr. Crouch recalled that when his parents, TBN founders Paul and Jan Crouch, began escorting groups to the Holy Land back in the 1970s, it was for more than just a great vacation. "They were taking seriously God's promise that He would bless those who bless His people Israel," he said. "And every group TBN has taken over the years has gone, not just to experience the land of the Bible, but to actively support, pray for and bless the land of Israel and its people. We're looking forward to continuing that mandate and mission with our TBN Hope and Grace Israel Tour 2018."
