Stop the World! I Really Want to Get Off!!

1 John 2:1-17 In these last days before the Lord returns, it seems the world is increasing in evil. The Bible tells us this will happen. Timothy tells us that in the last days seducing spirits will be everywhere. We have this hopeful word in God's Word that says where sin abounds, grace does much more abound. Sometimes my husband and I sit at our peaceful dinner table and remark to one another, "Things are really getting bad out there." One only has to watch the news to see the corruption in our world and the steady descent into more darkness. Sometimes after watching the news I want to say, "Stop the world! I want to get off!!" Today's reading gives us the reason the world is such a mess. We cannot blame it on God or even the devil. We only have to look at ourselves to find the answer to our predicament. Listen to what John says: "Love not the world, neither the things that are in the world. If any man love the world, the love of the Father is not in him. For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but of the world. And the world passeth away, and the lust thereof: but he that doeth the will of God abideth for ever" (vv. 15-17, KJV).

A Book About YOU

- ☒ God has set goals for each of our lives. In fact, He recorded them in a book before time began.

His Faith and Our Faith

✘ It is one thing for us to believe it once and be electrified and be thrilled, to have our world turned upside down, but quite another to keep believing it. The devil will come alongside and tell you that it can't be true, and he appeals to our natural reasoning. He appeals to what we know to be true about ourselves, that we are sinners. If he can, he will bring us right back to our bondage.

The Sacred Name of God

✘ In Hebrew, the sacred, divine name of God is spelled with four Hebrew letters: yod, hei, vav, and hei, or, in English, YHVH. This four-lettered name is called the tetragrammaton, which means "four letters."

This name, YHVH, is found 6,823 times in the Hebrew Bible. Hebrew scholars and rabbis all agree that the exact pronunciation of these four letters has been lost throughout the centuries. Some suggest the name is pronounced Yehovah or Yahweh, while westerners say Jehovah, replacing the first letter Y (yud in Hebrew) with the English letter J, which does not exist in the Hebrew alphabet.

How Big Is Your Chair?

Several weeks ago I (Mahesh) was sitting in my library when  I suddenly heard a noise behind me. I turned and saw an angel right there. He was young-looking, majestic, awesome, and full of strength, joy, and vigor. He was smiling, but there was the fragrance and atmosphere of battle all around him. He was a warring angel, and he had just come from battle.
