

5 Keys for Your Healing Breakthrough

I once heard a story of a remarkable woman's supernatural healing. She was a corporate executive overseeing 300 employees when it happened. They fully believed she would forever be disabled due to the traumatic brain injuries she sustained from the car accident. Thirteen years had passed, and she still suffered unbearable pain while barely able to function. Brushing teeth seemed like an impossible task as she struggled to concentrate. Things were hopeless. That is until she learned that the power of the Lord was present to heal. Though she could only grasp small pieces of what was taught, she persevered to get to Jesus. She determined to receive all He had for her, and before anything changed, she removed her brain injury identification bracelet and declared she was healed. Shortly after, this woman received her full healing and ministers the gospel of Jesus Christ to others to today.

What caused this woman to break through? It was her relentless determination that nothing would hold her back from getting to Jesus! She went after His teaching and healing power with all she had, and Jesus met her faith with a release of His power!

In the Gospels of Matthew, Mark and Luke, the Bible records the history of a crippled man who had to be carried by four friends to get to Jesus. When he got there, they couldn't get near Jesus because of the crowd. What did they do? They climbed the house and broke through the roof to get to Jesus! Why? Because they knew, "the power of the Lord was present to heal the sick" (Luke 5:17b).

Their faith caused a determination within them that moved them to bust through the roof! The Bible said that Jesus "saw their faith" (see Luke 5:20), and He released His healing power. God is looking for this same kind of faith today.

There may be what seem like impossible circumstances holding you back, but rest assured, the power of the Lord is present to heal you today!
