

A Prophetic Picture of Living in Christ's Fullness

There is a glorious life laid out for us as children of God that Jesus bought with His sacred blood and broken body. We have been marked with a supernatural destiny and have a heavenly anointing and calling to impact this world with the kingdom of heaven and gospel of Christ.

Sadly, so many believers are only living in a small measure of all that Jesus paid for them to walk in. They are settling with the shallow waters of ankle-deep and knee-deep Christianity when God wants them fully immersed in the fullness of who He is and all He has done.

Tune in to the latest episode of *Awaken Podcast* as Michael Lombardo releases a prophetic vision God gave him about how we as believers can step into the fullness of Christ for our lives.
