

A Simple Healing Story Jesus Would Be Proud Of

New Testament Christianity is being restored to America. Read this testimony by George Medellin and be inspired. Say, "I can do this!" And begin looking for people who are hurting and offer to pray for them.

Lord, give us faith to share Your power as a demonstration of Your love to those we meet today!

George's Story

I'm cleaning a roof in Seattle today, getting a good upper back and shoulder workout! A petite lady working for the post office comes by and starts asking me about my work.

We chat for a bit and I notice she walks slightly bending forward. I ask her, "Are you in pain?"

"Oh, yes, every day."

I respond, "I'm a Christian. Sometimes when I pray for people they get healed. May I pray for you for God to heal you?" She responds with a smile, "Oh, yes!"

I ask her to gauge the pain on a scale of one to ten, one being a little pain and ten being tremendous pain. She rates her pain at an eight.

I look with the eyes of my heart and see the Holy Spirit flowing like a river on her. I pray something like this, "I break the curse of pain over you in Jesus' name. I release peace and healing to your body. Pain, go in Jesus' name."

I again ask her to rate her pain on the scale of one to ten. "No pain," she says. "Thank You, Jesus!" I think to myself. She has to go back to work.

I wonder if I will ever see her again and if the healing will stay. Several minutes later she yells out from across the street, "George! The pain is still gone!"

She has tears in her eyes. {eoa}
