

Amanda Grace: Dick Cheney's Death, Election Chaos and a Spiritual Reckoning

A stirring prophetic word has sounded for the body of Christ, delivered by Amanda Grace, signaling that we have entered a season of dramatic spiritual alignment, divine exposure and governmental tipping points. The message carries urgent and supernatural overtones, forming a “window” of time that mirrors the gravity of 9/11 and sets the stage for a fiery upheaval.

The 9/11 Numerical and Symbolic Window

In a video shared to X, Grace noted why November in particular, and especially with the death of former Vice President Dick Cheney, points back to the catastrophic date of 9/11.

- The government shutdown that began Oct. 1, 2025, falls on $10 + 1 = 11$, aligning with the number 11 and pointing back to 9/11.
- The entire month of November, the 11th month, anchors “11” as a marker.
- The year 2025, when broken down ($2 + 2 + 5$) also yields 9 ($2+2+5=9$) and 11 when the “11th month” context is factored in—thus “9-11.”
- Grace emphasizes that on the eve before the election, a significant event occurred: former Vice President Dick Cheney, who was in office during 9/11, passed away.

“...on the eve before the Cheney, the vice president of the United States during 9/11 in 2001, dies the eve before the most consequential election in New York City, in its history, which was Ground Zero for 9/11,” says Grace.

Grace further considered Cheney’s passing as a “burning bush moment” for what is to come next.

“That is not an accident. That is highly prophetic. We’re about to see a burning bush moment,” she says.

Grace then tied these current events to a prophetic word she received from the Lord this year concerning pride and destruction.

The exposure will be great, and it shall leave a gaping hole in their operation. Some wounds shall be so great, the heads shall be no more. They shall be removed for stoking the flames and nursing the fire. Pride cometh before destruction and a haughty spirit before PRIDE shall now be their judge

and jury, says the Lord.

As this 9/11 prophetic window unfolds, the Lord is calling His people to vigilance, prayer and unwavering faith. The death of Vice President Dick Cheney, the dark election and the numeric alignments are not random—they are divine signposts of exposure, judgment and spiritual realignment.
