

Amanda Grace, Jonathan Cahn and Prophetic End Time Mysteries

What if end time mysteries are unfolding all around us?

During a recent interview, Amanda Grace sat down with New York Times best-selling author, Jonathan Cahn, and spoke about how God is revealing all kinds of end times mysteries in our world today.

Discussing his #1 New York Times best-selling book, “The Dragon’s Prophecy,” Cahn says that the more you dive into the book of Revelation, the more you see how prophecies are being fulfilled all around us today.

“Once you see the spiritual realm and the prophetic realm, then everything makes sense,” Cahn says. “It all affects each of us; the dragon’s war is against each of us.”

Cahn explains how the dragon – the devil – is after God and His people, especially Israel, all of which connects to the October 7 invasion by Hamas.

“There’s one day of the Hebrew year where they read the account of Solomon building the Temple on the mount and dedicating the temple on the Temple Mount,” Cahn says. “Now, that would be a threat to the dragon, the enemy. But they read, they declare and Solomon dedicated the temple on the

Temple Mount. What day is it? It was October 7.”

“It was a holy day, fell on October 7. So, as the Jewish people are reading the account of the Temple dragon goes crazy and Hamas issues the flood called the flood of the Temple Mount at the same time,” he continues.
