

Amanda Grace: Minneapolis Chaos Signals a 'Spiritual Cauldron' Being Stirred

The situation in Minneapolis has once again ignited national attention—not only politically, but spiritually.

According to the prophetic voice of Amanda Grace, the recent clashes between agitators and federal officers may not be mere incidents of civil unrest but signs of a deeper spiritual agenda unfolding within the nation.

“So it’s intensifying in Minneapolis, Minnesota,” Grace said. The escalation, she explained, centered around a new wave of confrontations after “agitators clash with federal officers after another ICE shooting.”

The city’s mayor, Jacob Frey, accused federal immigration officers of inflaming the situation, stating that ICE was “creating chaos.”

According to Grace, what sparked the situation was when an alleged agitator “attempted to run them over with their vehicle a mile from the incident with George Floyd.”

This was not merely a political flashpoint—but a prophetic confirmation.

Prophetic Words Resurfacing

She then turned to two past prophetic words she had delivered, indicating that the recent events were fulfilling what had been spoken more than a year prior.

From Aug. 29, 2024, she read:

“They shall try to refabricate George Floyd, to bring a new narrative of race meant to cause toxic opposition while their tainted lips speak unity. A custom-manufactured event. It shall turn around and smear those running. And they shall run when their corrupt creation turns on them... two networks shall turn on them to avoid the smear and stain it shall leave.”

A second word from Oct. 24, 2024, was even more pointed:

“Minnesota will begin to turn on its own, says the Lord. For that spirit of provocation has gone forth to resurrect the anger of George Floyd... The enemy in this hour is attempting to stir a spiritual cauldron that was set there with the help of the governor and those in the dark arts.”

This “cauldron,” she explained, consisted of defiance, anger and violence embedded into the spiritual landscape since 2020—now being reactivated for political purposes.

A Hidden Agenda or Prophetic Pattern?

Grace then highlighted what she called the “hidden agendas buried inside the headlines themselves.”

Looking at the headline surrounding the ICE clash, she argued that key themes could be discerned beneath the surface—revealing what is truly being pushed onto the national stage.

From the headline, she demonstrated that one could spell: “Resurrect George Floyd,” “Fraud,” “Socialist,” “Destroy America,” and even “Antichrist.”

“These are the deeper agendas we are literally watching unfold before our very eyes,” she warned. “Resurrect George Floyd. Fraud. Socialist. Destroy America. And that spirit of Antichrist that is at work within the earth.”

According to Amanda Grace, none of this is accidental. “This isn’t an accident, people. This is very deliberate. The deeper agendas are hidden amongst these explosive events that are happening.”

The Call to Watchmen

The prophetic message does not end with fear, but with instruction. Christians, she stressed, must not be passive spectators but spiritual watchmen.

“Continue to be watchmen, be in the Word of God every single day,” she said. “Keep the faith.”

While many see Minneapolis as merely another chapter in ongoing political unrest, Amanda suggests it is part of a larger spiritual confrontation between kingdoms—one that exposes manipulation, division and a battle over the soul of the nation itself.

Whether America will awaken to these warnings remains yet to be seen.
