

Amanda Grace Sounds Prophetic Alarm: Feast of Trumpets, 9/11 and America's Future

Is God giving us a prophetic warning about what is to come during the Feast of Trumpets?

In a prophetic alert posted online, Amanda Grace shared what Christians should be aware of regarding the Feast of Trumpets happening in 2026.

"In September, we will enter toward the end of September the year 5786 on the Jewish calendar. That year leading to 2026, two months before the mid-term elections in this nation, Rosh Hashanah, the feast of Trumpets, September of 2026 begins on 9/11 at sundown," says Grace.

She points out that this milestone is happening on none other than the 25-year anniversary of when the terrorism attacks of 9/11 took place and the Twin Towers fell in New York City.

"On the Feast of Trumpets the shofar is blown, and that shofar was the same shofar blown at Jericho when in the Book of Joshua they marched around Jericho once a day for six days and on the seventh day they marched seven times and blew the

shofar and the walls fell. That is the same type of shofar that is blown on the Feast of Trumpets, and now it intersects and converges with 9/11, the day the Towers fell,” Grace says.

She further calls this a wake-up call for Christians and the key reason why we continue to see 9/11 reappearing in prophetic symbols and dates.

“We have had a string of events that have occurred on dates that equal 9/11,” Grace says. “September 11, 2026 is not only the Feast of it’s the day that the Towers fell. This is a prophetic wake-up call and an alarm being sounded to us as the people of God to be the standard, to stand up, to be the watchman on the wall right now and sound the alarm for this because this is not a coincidence.”
