

Bible Prophecy Expert Points to Scriptures About Iran and ‘the Captives of Elam’ in the Last Days

Since the moment the war in Iran began, Christians have been looking for any biblical or prophetic context that might be connected with it. CBN News spoke with prophecy expert Pastor Jack Hibbs to get his perspective, and he pointed to several specific biblical prophecies.

KEY RELEVANT PROPHECIES:

Wars and Rumors of Wars: Jesus predicted an increase in wars as the “last days” approach.

In Matthew 24:6, Jesus said that would be one of the signs of the times. He said, “You will hear of wars and rumors of wars, but see to it that you are not alarmed. Such things must happen, but the end is still to come.”

He points out, “Jesus said in John 14:29, ‘I’ve told you these things in advance that when they come to pass you might believe that I Am He’ (the Messiah).”

Israel as the Apple of God’s Eye: Hibbs points out that any events relating to Israel are significant because God calls Israel “the apple of My eye.”
