

Bill Johnson: You Can Bring Heaven Down to Earth With This Key Step

Bill Johnson operates in major miracles. He says when you “renew your mind,” it transforms your walk with God.

Then what happens? It brings “heaven down to Earth” wherever you go! The key is there’s no sickness in heaven, no fear, no poverty! Are you ready to be transformed?

“It all starts with the goodness of God,” says Johnson, senior pastor at Bethel Church in Redding, California. “When you realize the goodness of God, His kind- that He is a loving, perfect father, then suddenly it changes everything. It changes the way you see Him, the way you see yourself, the way you see your past and your potential.”
