

Brandon Biggs' Warning to the Church and How to Pray

Sometimes God gives us insight so we know how to pray.

In a recent update video, Brandon Biggs said the Lord has placed it on his heart to pray against a coming darkness. He also says it is a Perry Stone video that helped him to know that what he was sensing in the spirit was accurate.

Recently, Perry Stone gave a warning about power outages, which is something that Biggs says God has been speaking to him about.
