

Choosing Faith to Believe for Miracles With Colton Dixon

Choosing to take up the shield of faith brought victory in musician Colton Dixon's own life and you can do the same! "We had a decision to make, to choose faith or to choose fear, and fear seemed like the logical choice," Dixon said on a recent episode of Revealing Jesus on the Charisma Podcast Network.

Sometimes the setbacks in life are simply setups for God to display His perfect love. In our deepest and darkest moments, our beautiful Jesus always draws near. We may not feel our faith but we can move with the Holy Spirit to believe for miracles because of who Jesus is and what He has done! In my recent interview with Colton Dixon, Christian music artist and singer of the song "Miracles" on Revealing Jesus, we discussed stories from encountering Jesus in his own life!

In this episode of Revealing Jesus, Colton and I discuss moving in the opposite spirit and the power of choosing faith over fear in your life. We believe in a God who loves to give good we don't deserve! In this episode, you can learn how to take up the shield of faith because of who God is.
