

The Lord Says, 'Don't Speak Words of Self-Sabotage'

One of the most important things a Christian can learn is that our God is a God who speaks. He wants us to know we can hear His voice. Prophecy is the basis for an on-going relationship with God. It deepens our walk and releases God's power in the earth.

Here is a portion of the revelation that poured through this prophetic portal in yesterday's [Sunday, Jan. 29] Celebration service. My prayer is that as you meditate on these words, the Holy Spirit will unlock layers of meaning that reveal His plans for your new journey.

"This is the beginning of a new journey for you. You will start journeying, and you will meet Me in a new way. Even if you choose to go your way, you will be on this new journey.

"Today is the beginning of a new journey for you, and if you choose for Me to lead, I will send angels before you to get you there. I have provision from your past that has been captured to bring into your future. Get ready today because the journey begins.

"I am going to give you new eyesight for those curveballs you swung at and missed in the last season. I'm going to cause you to watch what's coming in a new way; and what you couldn't hit the mark on last season, you'll knock out of the park this season.

"I'm giving you a new posture! You've been slumping down, but I'm telling you to stand up, stand up, stand up in the earth! No more hanging over the shoulders! I am giving you wings to fly over the powers of the enemy, stand upright, and even be a 'vav' in the earth!" [Note: In Hebrew "vav" means a "hook," "spear" or "tent peg."]

A New Burning and a New Place of Offering!

“In this time, I am causing you to burn in a whole new way. I am taking My staff as the angel of the Lord did for Gideon, and I am touching those hard places on the altar. A consuming fire is coming up from out of the rock to consume the hard places of the past season. You will burn, burn, burn, burn, burn with the new consuming fire of the Holy Spirit era!

“What the enemy meant for evil in the past season is being consumed on the altar of the hard place, and I am consuming you with the fire of destiny! I’m blowing in under your embers that are there. I am blowing in under them, and it’s going to cause an uprising within you. Open your mouth and you will be stronger than the dragon who’s been breathing against you.

“I am coming to those hard places—the place you have created an Ishmael. I am coming to the altar so you can lay down your Ishmael. I am calling you back to the fire so that I can disrupt this cycle of you creating Ishmaels all throughout the earth. For I know the plan that I have for you, and the plan belongs to Isaac, not to Ishmael.

“So, come back to the altar and put your Ishmael on the altar so that you can see Me demonstrate My holiness, My plan and My purpose that you are a part of. Come back with your desire and lay it on the altar, so we can see Isaac burst forth. That good thing you’ve created—I have allowed that for a season. But once you lay it down, you’re going to get the blessing that will go generation after generation after generation. Lay down the beginning of the inheritance that you thought you had so you can go into the multiplication of the next season.

No Time for Self-Sabotage!

“There is no more time for self-sabotage. Self-sabotage is over. You’re on the altar of fire, you are on a new journey, so do not self-sabotage. Do not say, ‘This doesn’t look right and I’m afraid to take a step,’ or, ‘I don’t know what

direction to go.' Take that step and move forward in a new journey, but do not speak words of self-sabotage." (Prophetic words spoken by Chuck Pierce, LeAnn Squier, Becca Greenwood, Robyn Vincent, Lisa Lyons, DeeDee Roberts, Hunter Spears and Stella Timmons.)
