

Cindy Jacobs Prophetic Vision: Your Coming Breakthrough Will Surprise You

Read Time: 1 Minute 40 Seconds

I saw some of you, and even myself, beating on a closed door. You were just praying and saying, "Open up!" And you were so upset that that door was not opening. But the Lord would say to you, "Trust me that I will open the right door." In fact, I see a vision that some of you are beating on the wrong door and you're upset with the Lord. But He is saying, "I'm going to give you something better. I'm going to give you something much better than what you thought you wanted."

The Lord says, "And the ones that are being resisted by the devil, you're going to see a breakthrough in a moment that will be sudden." In fact, it's going to surprise you. I feel like some of you have been praying and praying and praying and now, all of a sudden... BOOM! It's going to be done. Your healing will be there, the property will be there, whatever you need will be there and you're going to be astounded. You're just going to go, "Wow, did that really just happen?"

For me, there have been times where I believed for healings for some things. It wasn't in a healing service or anything, but when it happened, I just felt normal. And all of a sudden, it would occur to me: "Wait a minute ... I got healed!" So, I want to say to you what it says in Isaiah 22:22. "I'm going to open a door that no man can shut."

The Lord is showing me that He is preparing the right door, the best door, the right way, for your finances, for what you need for capital investment, for what you need for your

family, for what you need for provision. The Lord is saying, "The answer is on the way." I see you beating on that door, but the Lord says, "Trust me, I will open the right door." God bless you!
