

Get Ready for Sudden Unseen Alignments

This morning I heard the words “sudden alignment.” Where many are standing believing for sudden alignment—and there isn’t any “indication” of it coming in the natural—I heard the Lord say “the sudden unseen alignment is about to be seen!”

The “alignment” that you have been “sowing into” by your faith and your prayers is about to spring forth.

It’s not over yet. Don’t move from your “position.”

I saw the Lord holding a huge bowl and it was full to the brim of honey. He tipped this bowl over the people of God as they were positioned for new alignments and healing was happening, and a sudden “coming together” of His promises and plans. He is bringing all things together now. Things are going to begin to “make sense.” A greater revealing of the “bigger picture” in its circumstances is being uncovered before the people of God.

In the healing and anointing He has released, sudden alignment between the natural and heavenly is happening. Two worlds are coming together—the natural and supernatural. It is a bypass of “natural circumstances,” releasing the abundant healing, provision and breakthrough of Papa God.

The tipping point of “alignment” and “collision” has been reached. Sudden unseen alignment is springing forth as we have moved into Rosh Hashana.

There is a “heavenly gluing together” taking place from this week. God is bringing things together. Strategic relationships and network bridges are being formed from this week to release the people of God into new areas of favor and new levels of increase.

Impartations are being released all across the body of Christ this week through “strategic relationships and network bridges this week.” Be positioned in your prayers, declaration and hunger this week for impartations that will be released to you to suddenly catapult you into greater alignment and the new levels. Strategic people are being connected all around that are carrying the “foot up” to get you to the next level of your breakthrough. They are coming together from this week. Lean in deeper this week paying attention to the prompting of the Spirit for who you are to strategically connect with.

Sudden unseen alignments are about to take place. A huge heavenly collision is happening and an explosive demonstration of His Glory will be seen smashing anything standing in the way of your advancement.

Your key ... stay positioned.
