

Holy Spirit Is Not a Ghost

When we think of the Trinity, many Christians feel very familiar with God the Father and Jesus, God the Son. But somehow when it comes to God the Holy Spirit, there is so much misunderstanding in the church.

In this new episode of *Truth Talks*, Pastor Ché Ahn brings clarity from the Word of God about the essential role the Holy Spirit plays in our lives. God created you in three parts: spirit, soul and body. The truth is, though, there is a spiritual struggle being waged in the life of every believer, every day of our lives.

If you are born again, your spirit is new but you still have the same body and soul. These two must be transformed by the Holy Spirit in order for you to be more like Jesus. Just like a counselor helps you to overcome personal issues, the Holy Spirit wants you to become holy!

For his 48 years of walking in the Spirit, Pastor Che shares three keys to overcome the flesh by walking in the power of the Holy Spirit. Join us as we journey together in our “Life in the Spirit” series and encounter God today in a whole new way!
