

How Are We Called to Prepare for the Harvest?

The entire world is in chaos. Every nation, every people group and every community is suffering major upheaval. There is not an aspect of society that is unaffected. What was right is now wrong, and what was wrong is considered right. It's overwhelming for those who don't know these days were prophesied long ago and, therefore, to be expected. Even for those who knew these days would come, it is tremendously unsettling. We need to find our moorings and make certain we are securely stationed on truth.

Many speak of the "Billion Soul Harvest" they believe is imminent. Others refer to the "Great White Harvest," the "End-Times Harvest of Souls" and the "Latter Rain Revival."

Are these referring to the same event of harvesting souls, or are they different events? What situations or circumstances will precede the last days? What signs and realities should we watch for to know we've entered the time of the Great White Harvest? What must we do to be prepared? What will happen to those who are not prepared?
