

How You Can Be Commissioned With a Fresh Wave of Holy Spirit Fire

This is the Pentecost of Pentecosts. We are at the tipping point-defining moment. The Lord is leading us into a season to cross over. All that is transpiring is for His glory and the glory of the new day.

We are crossing over into an unprecedented era. It is a time of decision, surrender. It is a time to reset for deep awakening.

You see, when the Holy Spirit fell in the upper room at Pentecost, it was not a casual event. Luke shares in Acts 2:2b (TPT), "The roar of the wind was so overpowering it was all anyone could bear!" The very breath of life of God, the Holy Spirit, came into the room in that mighty rushing wind and carried a burden that went into the deepest past of each man and woman present who could respond to God. In a suddenly moment, they were engulfed, filled, baptized and commissioned into the power, fire and glory of the new era. Instead of looking at the burning bush, they *became* the burning bush.

Friends, many of us have been prophesying that we are tipping into a season of a new encounter, a whole new season of glory for this era. Hear me, this same encounter that was so life-altering and transforming is upon us in a new and glorious wave. This promise is for you. Listen to this prophetic message of the fullness of what transpired in that historic moment in the upper room and be taken into a glorious encounter and filling of His presence, fire and glory. Be commissioned with a fresh fire for this new era! {eo}
