

How You Can Partner With God's Heart in Prayer

Jesus modeled the heart and method of true prayer through His life as displayed in the Gospels. He told the Father, "Not My will but Yours be done."

How many believers around the world are asking God to grant them their will and asking Him to bless what they are doing? Instead, we need to seek the heart of God and ask Him for revelation in all we do so we can partner with His heart in prayer and release His divine will.

God wants to give us His eyes and His ears so we can walk in the power of His kingdom and express His love to a hurting and lost world trapped in darkness.

I recently spoke with Pastor Tim Fruits of New Life Covenant Church about how we can tap into God's heart and release His will. {eoa}
