Again I heard the voice of the Lord say, “Iran, your deal is done, the foreign favors have come to an end. You have dealt harshly against my people Israel. You have sought their destruction and demise. I have seen your plan to tear Israel apart and wipe her from of the face of the earth. Your heart of hate has forced my hand against you and your agreement with America will be torn in two! Now you will deal with me in the days to come.

Shamp further prophesied that Tehran would be hit right in the heart.

Behold, I will break your bow Iran, the foremost of your might will be destroyed! For I will cause you to be dismayed before your enemies and before those who seek your life. I will bring disaster upon you and I will send the sword of my

word and it will strike your heart, YES THE HEART OF TEHRAN. I will set My throne in your nation and will destroy from there the king and the princes. I will bring back the captives of the nation. Those who gather with me in secret to pray are more than those who meet with you in the open. I have heard the cry of my people coming from this land for freedom. I have caused my word to be heard in the heart of the nation and soon some you trust will turn to me and bow their knee. The destruction I will bring will not be by might, nor by power, but by my Spirit. My hand will sweep across the nation and many will be saved in one single day.

There is a rumbling coming that will shake the ground, you will feel it's force. For it will be a sign of what will come a shaking in your government, a shaking in economy, a shaking of your religion. I will shake free every hand and feet from the shackles that hold them and they will walk free, yes they will march in the streets. I bring the four winds from the four quarters of heaven, and will shatter deception and scatter your lies by these winds, get ready for it will begin. The dry bones will come to life! Even the bones of my Prophet Daniel who is buried in your country will shake as a sign that my people in the nation will awake."

The hour of reckoning appears to be drawing near. What was once whispered in secret is now echoing across headlines and battlefields. This is more than a clash of nations; it is a confrontation between heaven's purposes and human rebellion. As the ground begins to tremble and the winds of change stir, may the world awaken to the reality that God still speaks, warns and moves among the nations.
