How are the biblical Babylonian captivity of the Jews, the beginning and end of World War II, the Great Depression, the Vietnam War, the Tower of Babel, Roe vs. Wade, the Industrial Revolution, the Great Recession and the 9/11 terrorist attacks tied to an ancient Jewish commandment? Jonathan Cahn, author of the runaway *New York Times* best-seller *The Harbinger*, takes readers behind the mystery of the Shemitah, which starts in a matter of days.

In the video below, Cahn tells Sid Roth about some of the fascinating connections he has found, outlined in more detail in his new best-seller, *The Mystery of the Shemitah*.
