

Jonathan Cahn Uncovers End-Times Mystery of 50-Year Jubilee

New York Times' bestselling author Jonathan Cahn is again poised to shock the world with his latest, soon-to-be-released book, *The Oracle: The Jubilean Mysteries Unveiled*, in which he opens up the Jubilean mysteries and a revelation so big that it lies behind everything from the rise and fall of nations and empires—even America—to the current events of our day, to the future, to end-time prophecy and much more.

"The 50-year Jubilean mystery is coming true in our lifetime," Cahn said, "and this 50-year cycle will shake the world. Every 50 years, a major prophetic happening concerning the restoration of Israel has occurred, including the 1867 uncovering of biblical Jerusalem after 2,000 years, the 1917 Balfour Declaration giving the land of Israel back to the Jewish people, the 1967 Six-Day War and the 2017 recognition of Jerusalem as the capital of Israel by President Donald Trump and America—the first such declaration issued by a world power since ancient times. These are just a few of the mysteries that are uncovered, with many other mysteries leading up to the events of our times and revealing the future."

In *The Oracle*, Cahn takes the reader on a journey to find the man called "the Oracle." One by one, each of the Jubilean mysteries is revealed through the giving of a vision to a traveler. *The Oracle* uncovers the mysteries of "The Stranger," "The Lost City," "The Man With the Measuring Line," "The Land of Seven Wells," "The Birds," "The Number of the End," "The Man in the Black Robe," "The Prophet's Song," "The Matrix of Years," "The Day of the Lions," "The Awakening of the Dragon" and many more.

Throughout the much-anticipated new book, the reader will discover the ancient scrolls that contain the appointed words that have determined the course of world history from the onset of modern times up to our day. The revelation is so big that it will involve and open up the mysteries of everything and everyone from Mark Twain to Moses, from King Nebuchadnezzar to Donald Trump, from the fall of empires to the rise of America, from a mystery hidden in a desert cave to another in an ancient scroll, from the palace of the Persian Empire to the U.S. Senate, from the Summer of Love to the Code of Babylon—just to name a few.

Ultimately, *The Oracle* will reveal the secret that lies behind end-time prophecy and the mystery of the end of the age. As with *The Harbinger* and *The Book of Mysteries*, Cahn reveals the mysteries through a narrative. A traveler is given seven keys; each will open up one of seven doors. Behind each door lies a stream of mysteries. The reader will be taken on a journey of angels and prophetic revelations waiting to be discovered behind each of the seven doors—the ancient secrets that lie behind the world-changing events of modern times—and revelations of what is yet to come.

Hailed as a mind-blowing masterpiece, *The Oracle* will reveal mysteries that are absolutely real, amazing, stunning, mind-blowing and life-changing.
