

Joseph Z: 2025 is the Year to Storm Babylon

In an exclusive interview with Charisma Media, prophetic voice Joseph Z shared what the Lord has spoken to him about for what the church can expect this upcoming year.

In 2024, Z prophesied that it would be a do-over year, paralleling 2020. As we saw this do-over year come to pass with the election cycle and even both the Dodgers and the Kansas City Chiefs taking victories in the sports arena, what happens now in 2025 after the do-over is critical.

“The Lord is speaking to me very clearly about what is to come, and I sense because of this do-over, because of the way the Lord has done things, there is unfinished business that needs to take place,” Z says. “I believe we are going into a time of generational quaking and generational building.”
