

Kathryn Krick's 'Ignite Revival' Hits Major Milestone

Kathryn Krick's new book, "Ignite Revival," has just reached a powerful milestone, showing that God's glory is still moving all around us.

In a post on YouTube, Krick made the announcement that Ignite Revival has now been on the USA Today bestseller list for not one, but two weeks in a row.

"Ignite Revival has made the USA Today Bestseller List for the second week in a row. All glory to God!" Krick wrote.

I'm so grateful to God for His hand upon this book and for opening doors for more people around the world to encounter Him, be equipped, and be set on fire through this book! Thank you to all of the revival warriors out there in God's revival army who have spread the good news about this book and ordered it for yourselves and also to bless others!

May revival explode and expand to greater heights every day!

At a time when spiritual hunger is intensifying across America and around the world, stories like this serve as a reminder that revival is not just a distant hope—it is a present reality. In a culture marked by confusion, fear and compromise, many Christians are searching for something authentic, powerful and rooted in the presence of God.

As revival conversations continue spreading through churches, social media and gatherings across the globe, many believers see this moment as more than a publishing milestone—they see it as evidence that God is stirring hearts for a greater move

of His Spirit in the last days. The question now is whether the church will simply celebrate revival stories or fully step into the call to carry revival wherever God has placed them.
