

Kim Clement's Spectacular September Prophecy: 'The Tide is Turning'

Are changes heading our way for the month of September?

In an Aug. 30, 2014 prophecy, Kim Clement prophesied about a September where a tide would be turning which would greatly affect Israel.

"Listen to the Word of the Lord. What do I have planned for September? What about Israel? What I'm about to tell you, says the Spirit, is not only for the land of Israel and the people of Israel, but this is for you, says the Lord," Clement prophesied. "The tide is turning for Israel. The tide is turning for you."

Clement's prophecy further talked about something peculiar coming as we move into autumn where a great fall would take place. This goes right back to Clement's prophecy about a "Strange July" and a "Hypnotic November" where he prophesied, "Is it that possibly the Spirit of God will cause many to fall in the fall?"

"A very strange thing shall happen in September moving into the fall where there shall be a great fall," Clement prophesied. "Fall of the enemies, fall of kings, fall of princes. I shall do a strange thing in Egypt again, but even as David met an Egyptian who was the son of Amalekite, who had been rejected because he was sick. David was about to go and take back what was stolen from him. David and his men were tired, and they came to an Egyptian, fed him and he revealed to them where the enemy was. I shall use Egypt again."

Clement's prophecy further discussed how many would be offended by God's decision to use Egypt, but that the Lord says He will be revealing a "strange thing."
