

Maduro Receives Powerful ‘Prophecy’ of Victory and Revival in 2025, Then Gets Captured in 2026

It’s hard to believe, but events in Venezuela have taken a remarkable twist that echoes a “prophet’s” words in ways no one anticipated.

In Nov. 2025, a prominent self-proclaimed prophet prayed over President Nicolás Maduro, decreeing victory, national revival, and the exaltation of Jesus’ name, as reported by Christian media outlet Protestia.
