

Marilyn Hickey: How to Live Your Life Ablaze With the Holy Spirit

Wouldn't you love to be a part of a historic trip to the heart of our nation? Marilyn and Sarah are leading a Heal our Nation group trip to Washington, D.C. this fall. Group trips are nothing new for Marilyn and Sarah, but this will be first one in the U.S.

Like all trips, there will be spiritual mentoring, training and teaching. There will also be opportunities to minister as a team as well as prayer walking. Prayer changes things, and if you want our nation to have a revival, then join the group and be a part of the Heal our Nation tour.

Do you struggle to keep the fire of Holy Spirit burning in your heart with the same intensity as the early days of your walk with Jesus? *A Life Ablaze, Ten Simple Keys for Living on Fire for God* by Rick Renner shows you how you can live a life on fire for God.

Many people started their Christian walk "on fire," but as time went by life happened, they got busy and they lost their fire for God. The good news is that there are practical, easy things to do to stay spiritually ablaze so you can fulfill God's plan for your life.

Fashion is fun! If you follow Ephesians 6 and put on the armor of God you are dressed for the supernatural. Jen Metcalf's book, *Passion for Fashion: Walking the Runway of God's Design*, shows that we are more than good looks and fancy clothes, and teaches us that our outside shines based on what we have inside.

Remember, we are made in His image. We don't have to be bound

by guilt, shame or self-doubt. *Passion for Fashion* will show you how you can have your breakthrough and walk in your true purpose and divine destiny. {eoa}
