

Marilyn Hickey on Supernatural Miracles, Relationship with Holy Spirit, Personal Revival

One of Marilyn Hickey's best pieces of advice is to start your day by saying what God says about you. You are beloved and valued, and in Jesus Christ you have wisdom, righteousness, sanctification and redemption. God has something so wonderful for you today.

Do you believe that? Do you need a miracle? Then ask yourself what is in your hand.

Too often, we look for something outside of our hand to be our miracle. But the Scriptures say God looks for what is in your hand. What you have is what you can sow. What leaves your hand produces. God never just gives one harvest; He continually gives you harvests. Get your faith propelled into God's kingdom and what He has for you. Release your faith and become supernatural.

Do you want a God-upgrade in your life?

You don't just need to know about Holy Spirit, you need to have a relationship with Holy Spirit. Sarah Bowling's book, *Your Friendship with Holy Spirit*, is a relationship guide to help you develop strategies to strengthen your relationship with Holy Spirit.

Have you ever prayed: *God, I want more of You, more of Your presence, provision, healing and abundance in my life?* It is vitally important that in our Christian walk, we have a vibrant relationship with Holy Spirit because Holy Spirit is present to help with healing, fear, anxiety, needing peace in

your soul, pressures and demands.

Don't you think it's time to say goodbye to powerless Christianity? James Levesque does, and he challenges Christians to become a burning brand for God.

Lavesque believes we're on the brink of the next great Holy Spirit outpouring. His book, *Fire*, gives you 12 biblical principles to walk in personal revival and help return the passion you felt at the beginning of your faith. If you have a desire for the supernatural power of God, you will learn how to ignite the fire inside you and see your life activated for signs, wonders and miracles. Encountering Jesus is an anointing that will change your life! {eoa}
