

Marilyn Hickey on Keys to Miracles, Supernatural Breakthroughs and Overcoming Fear

Want to know what the key to a miracle life is? The key is giving God what's in your hand because what you sow in God's kingdom continues to work and reaps a continuous harvest. Are you ready to get your faith propelled? Do you want to know what kingdom plans God has for you? Learn about how when you obey God and give what's in your hand into His hand, He'll use it and bless it and multiply it in ways you can't imagine. Faith always acts, has an activity. When you act in faith, it becomes productive. Remember, you have not because you ask not.

The enemy looks for anything to build a case against us—to deny us what's rightfully ours. Robert Henderson's book, *Prayers & Declarations that Open the Courts of Heaven*, show us we can learn how to open the courts of heaven and receive a supernatural breakthrough! God is willing and able to answer our prayers but the legal battles that take place in heaven's courtrooms often delay our requests from coming to pass. Learn how to present prayers that will miraculously reverse circumstances, break bloodline curses and generational iniquities, overcome hindrances and confess and declare supernatural reversals and miraculous turnarounds.

Have you ever struggled with fear? The enemy uses lies to bring us into fear and fear is his number-one tactic. But you don't have to live under the shadow of fear. Dawna DeSilva wrote *Overcoming Fear* to show how you can elevate yourself above the enemy's attacks and experience true healing that can only come from God. He gives us a biblical strategy to battle

anxiety, stress and panic. When you master power, love and self-discipline, you will elevate yourself above the enemy's attacks and be released from fear into abundant, healthy living. {eoa}
