

Miracles in Manhattan: Pastor Mike Signorelli Sees Healings Through Prayer

A New York City pastor is on a mission to help people see that “God still heals.”

Mike Signorelli of V1 Church in New York City joined Billy Hallowell to explain how facets of the secular medical community are now “open to the spiritual realm.”

While some doctors and hospitals are looking for help in the wrong places, he said there is an opportunity for Christians to step into the fold and divert attention toward biblical truth.

“What we have to do is believe that God is going to do what only He can do and let me awaken people to the reality that He still heals,” Signorelli said.

In his own ministry, the popular preacher said he has to remind himself to “pray for even incurable things,” as he puts full trust in the Lord. He said he’s seen and experienced incredible miracles as a result of this trust. Signorelli even shared the example of a woman who was healed of Multiple

sclerosis (MS).

“I received an email with all of these PDF attachments of a medical diagnosis of MS, and then as I begin to read the documents,” he said, noting he had prayed for the woman. “It was multiple confirmations that all the lesions were gone. It was completely undetectable and they cleared her and even said, ‘You’re done with medication and any medical intervention.’”
